***FOR IMMEDIATE RELEASE***

Lieutenant Anthony DeMaio  
Traffic Division  
July 24, 2019 @ 2:00PM

**TEMPORARY NO PARKING PROHIBITION DURING MILLING & PAVING**  
**OF NORTH MAIN STREET AND SOUTH ELM STREET**

In preparation of a Town of Wallingford roadway improvement project, the Town of Wallingford Department of Public Works and/or its sub-contractors will be milling and paving the entire lengths of both North Main Street and South Elm Street. The milling work is scheduled to begin on Monday July 29, 2019, and once completed the paving process will begin, on or about August 11, 2019. This prohibition will be in effect between 7:00AM and 6:00PM daily while work is being performed.

A temporary no parking prohibition will be in place on both roadways during this milling and paving project. The affected areas will be appropriately posted in advance. As the project moves from one section of roadway to another the signage will be moved accordingly in advance.

We are asking that residents pay special attention to the temporary but moving no parking zones to avoid the issuance of a parking ticket by police and removal of the vehicle by tow truck.
