## **PUBLIC NOTICE**

Due to current public health conditions, the Senior Program Trash Coupons will **NOT** be made available for sale at any location at this time.

Senior residents (or those under 65 years of age who have been issued a Medicare card) **with a current season permit** may continue to dispose of 2 bags of trash per household at the Wallingford Resident Disposal Center until the new coupons are made available for sale. **Please have your current season permit with you when disposing of your household trash.**
