

Parks & Recreation Participants,

Effective today, Monday, March 16, 2020, at 5:00 p.m., all Parks and Recreation Department Spring Programs have been pushed back to begin on Monday, March 30, 2020. We will re-evaluate the situation week to week and will notify all participants by March 27, 2020, of any updates or changes.

We also have made some adjustments to our hours of operation during this time. The office will be open normal business hours Monday - Friday from 9:00 a.m. - 5:00 p.m. The office will be closed Monday - Friday 5:00 p.m. - 10:00 p.m. and closed all day Saturday and Sunday. All transactions for spring and summer recreation programs can be done online at www.wallingfordrec.com.

All programs that are canceled during this time will be added to the end of the session for make ups. If classes cannot be made up, credits and refunds will be issued. During this time, the Parks and Recreation staff will continue to work on summer program scheduling, development and planning. All program equipment will be taken out and will be cleaned and disinfected thoroughly.

We would like to remind all of you during these times to practice good hygiene to protect yourself from infection - by washing your hands frequently with soap and water or alcohol based sanitizer. If you are feeling ill, stay home. As these times feel hectic, this too shall pass.

We look forward to seeing you all back here at the Parks and Recreation Department.

Best regards,

Kenny Michaels
Director of Parks and Recreation
