

**TITLE: WALLINGFORD ELECTRIC DIVISION
RESIDENTIAL CUSTOMERS, POLICY REGARDING
HOME ENERGY SAVINGS™ PROGRAM**

Effective Date: September 17, 2008

Adopted by Board: 09/16/08

Revised by Board: _____

Certified By: _____

1. The purpose of the Wallingford Electric Division's (WED's) Home Energy Savings™ policy is to encourage the WED's eligible residential customers to obtain an evaluation of their home's energy efficiency, and to enable the WED to apply certain energy efficiency services to the customer's home.
2. Qualified customers may participate in this program anytime after the effective date listed above.
3. The WED's energy conservation incentive programs and associated payments are provided to eligible customers on a first come, first serve basis, subject to the availability of funds in each fiscal year.
4. Residential customers shall be made eligible for the Home Energy Savings™ program per the schedule described in Appendix A.
5. Eligible customers may need to provide a co-pay when participating in this program. The need for a customer to provide a co-pay shall be determined via the following criteria:

<u>Customer's primary heating source</u>	<u>Co-pay amount</u>
Electricity	\$0
Natural Gas	\$0 (so long as Yankee Gas is also a participant in this program; otherwise, the co-pay is \$300)
Heating oil, propane, wood or any other Deliverable fuel	\$300 (unless and until other funds are made available to the WED from outside sources for the purpose of subsidizing residential energy

efficiency evaluations and improvement measures for residential customers with these sources of heat.)

6. The WED's energy conservation programs are administered through and/or with the assistance of the Connecticut Municipal Electric Energy Cooperative (CMEEC), of which the WED is a participant and with which the WED has a contractual relationship.
7. Customers who participate in the Residential Home Energy Savings program shall agree that any capacity-related credits or payments that the customer may be eligible to receive as a result of the customer's participation in the program shall be fully assigned to the WED or its designee.

Appendix A

Customer Eligibility Criteria and Schedule

Program Phase

Eligible Customers

I – initial availability

(approximately after October 1, 2008)

WED residential customers who receive CEAP (Connecticut Energy Assistance Program) or WEAP (Wallingford Energy Assistance Program) funds toward the payment of their electric bills.

II – winter 2009

(January 1, 2009)

All Phase I customers plus any WED residential customer whose primary source of heat is electricity. (*)

III – spring 2009

(April 1, 2009)

All Phase I and II customers as well as any WED residential customer with central air conditioning. (*)

IV – final phase

(July 1, 2009)

All WED residential customers. (*)

(*) Phases II through IV shall be administered subject to the availability of funds at any given time
