

**ELECTRIC DIVISION
DEPARTMENT OF PUBLIC UTILITIES
WALLINGFORD, CONNECTICUT**

**ELECTRIC SERVICE
RATE NO. 1, RESIDENTIAL**

APPLICABLE:

This rate is applicable to all single family residences, single flats, and single apartments. It is also applicable to multiple residential units metered through a single meter, on the basis that the minimum monthly charge and each energy block of the rate shall be multiplied by the number of units served through the single meter before computing the charges. For multiple residential units, partially metered through a single meter, primarily electric for heating or cooling, where partial service is metered through individual residential meters, each energy block shall be multiplied by the number of units served, however, only one Customer Service Charge shall be applied.

CHARACTER OF SERVICE:

Service furnished under this rate shall be single phase, 120/240 volts or 120/208 volts network, three-wire, 60 cycle alternating current.

RATE PER MONTH:

CUSTOMER SERVICE CHARGE: \$11.70

ENERGY CHARGE:

	<u>Summer</u>	<u>Winter</u>
First 700 kWh	\$0.1114 per kWh	\$0.0979 per kWh
Over 700 kWh	\$0.1177 per kWh	\$0.0945 per kWh

POWER COST ADJUSTMENT CHARGE:

The above rates shall be adjusted in accordance with the Power Cost Adjustment Clause set forth in Rate No. 12.

MINIMUM MONTHLY CHARGE:

The minimum monthly charge shall be the Customer Service Charge

SUMMER AND WINTER BILLING:

Summer rates will apply for bills dated the months of May through October. Winter rates will apply for bills issued dated the months of November through April.

SEASONAL MINIMUM CHARGE:

For declared seasonal customer, the minimum monthly charge during the active season will be applicable customer charge. For the inactive season, the minimum monthly charge shall be sixty (60%) percent of the applicable customer charge. The minimum charges shall be due and payable with the first active season monthly bill.

The seasonal service provision is available to customers who notify the Electric Division as electing either an active winter season (the billing months of November through April) or an active summer season (the billing months of May through October).

Any customer receiving a regular zero kilowatt-hour bill will be assumed to be an undeclared seasonal customer and will be billed at the applicable customer charge.

Any customer terminating service on a seasonal basis will be considered an active seasonal customer and the inactive season minimum monthly charge shall apply and shall be due and payable prior to the Electric Division reinstating electric service.

DELAYED PAYMENT CHARGE:

Five percent (5%) of the above-computed billing or minimum charge will be added to the bill if not paid within twenty (20) days from rendition of bill.

SENIOR CITIZEN DELAYED PAYMENT CHARGE:

Any senior citizen 65 years or older, upon a one-time written request, will receive an additional ten (10) days from the rendition of the electric bill for a total of thirty (30) days prior to adding the (5%) Delayed Payment Charge as described above. The senior citizen applying must provide proof of age in order to receive this additional time for payment.

TERMS AND CONDITIONS:

All electric service rendered hereunder is subject to the rules stated in the "Electric Service Information and Regulations" publication of the Electric Division.

Effective: November 1, 2011

Adopted: September 20, 2011

Robert N. Beaumont
Chairman – Public Utilities Commission
