"Applicants before the Planning & Zoning Commission should be aware that said Commission cannot, and does not, regulate the traffic control signals, signs, markings and other safety devices which may be required by the Legal Traffic Authority (LTA) for the Town (Ref. C.G.S. 14-297, 14-298) as a result of the applicant's proposal. Improvements and/or conditions required by the LTA are an independent submission and approval process. The Town subscribes to the best practices of the Manual of Uniform Traffic Control Devices with consultation and guidance being provided by the Town Engineer. Any applicant obligations concerning the supply and installation of traffic control devices, or improvements and/or conditions that may be required by the LTA must be satisfied at the applicant's expense. Work performed pursuant to such requirements shall be fully completed, inspected and approved by the LTA or his designee, before applicant requests Road Acceptance".
