Item 4: Co-Chairs Announcements

Mary Mushinky was in legislative session and unable to attend the meeting.

Cathy suggested that the June 6 regular meeting be moved to the Community Lake Pavilion at 6:30 PM.

Public Works mentioned the new bench needs a concrete slab which would be easier to install than mixing concrete *in situ*, as there is no water available on the installation location. The WPW is also coordinating to procure the 15 tons / 10 yards of stone dust.

Sandbags were purchased and will be used to dust over the brick walkway to keep weeds down, along with the installation of three bricks by mid-June.

A brief recap of the Spring cleanup was given, a few tools need to be returned to their owners.

Dave mentioned Saturday June 1 from 10AM to Noon is the American Hiking Society's National Trail Day. Events can include a possible scavenger hunt, trail clean up, and other potential activities. We'll also need a flyer, notifications to FB, Patch, WPAA, Record-Journal, etc. Need ideas as to what the committee can do: bring a folding table, the logo banners, merchandise, water bottles, etc.
